

Marine Multi-Generational Education District Advisory Committee

Purpose:

Marine on St. Croix citizens have long demonstrated a commitment to education, including the founding of the village's original school in 1853. Citizens both value and support multi-generational learning in many ways, including strong support for local organizations involved in history, civic advancement, K-12 education, adult education and more.

The acquisition of the 'Marine Multi-Generational Education District' in 2019 was a major investment by the City and its tax payers, and was a reflection of the City priority of supporting access to educational offerings.

In recognition of this investment and importance to the City and in keeping with the forward-looking approach of the City, the City Council has created this Committee to develop a master plan for the current and future use of the 'Marine Multi-Generational Education District.'

1. A committee appointed by the MOSC City Council, consisting of (one person may fulfill more than one role):
 - 1 member of the Council
 - 2 members of the Planning Commission
 - 2 Citizens at Large
 - 1 MVS representative
 - 1 MMFS representative
 - 1 Neighborhood representative
2. The Committee Primary Focus is on the Marine Education Site at 550 Pine Street, Marine, consisting of approximately 8 acres.
3. Outcomes expected from this effort include:
 - a. Understand the interests and expectations of citizens regarding the site
 - b. Communicate with and gather information from all stakeholders
 - c. Communicate with other local educational organizations (for example, arts education and environmental education organizations) to avoid duplication of potential uses and identify potential future collaborative partnerships
 - d. Confirm the current zoning and infrastructure limitations for the property
 - e. Create a master site plan which will include but not be limited to the following:
 - i. Site plan
 - ii. Infrastructure Analysis
 - iii. Funding Considerations
 - iv. Use Parameters
 - v. Recommended factors to be used when evaluating proposed new uses of the property
4. This committee shall report to the Council on a monthly basis and as needed.
5. This committee will disband after the master site plan has been created, with the anticipated timeline to be completed within 18-24 months.
