MONTHLY NEWSLETTER | DECEMBER 2023

COMMUNITY SERVICE OFFICERS

The Washington County Sheriff's Office is pleased to welcome four Community Service Officers to our team. CSOs are an essential part of law enforcement agencies across the country, working alongside sworn officers and focusing on community engagement and outreach. Washington County CSOs will play a key role in enhancing the services we already provide to our communities by assisting deputies with non-criminal calls for service, traffic control, ordinance enforcement, evidence intake, and community events. Our CSO candidates, who must be 18 or older and enrolled in a law enforcement program of study, will be guided and mentored by deputies in our Patrol Division as they get valuable experience in their chosen field.

Each of our new CSOs has experience with this role at other nearby agencies, and they're already familiar with our organization because they were also WCSO Explorers, which is a program that introduces youth ages 14 to 20 to careers in law enforcement and public safety. We're excited to continue to help our CSOs work toward becoming full-time law enforcement officers.

For more information about the CSO program, please [email Patrol Commander Tim Harris](#).

WC23057944 HARASSMENT

1XX NASON HILL ROAD

At 11:36am on Nov. 15, a deputy spoke with a caller reporting that her elderly father had been receiving numerous calls from an unknown party using the same number, usually late at night while he was sleeping. She said the unknown caller would mumble a bit, then hang up, and she was worried about her father getting scammed. The daughter had looked up the number online and said the name was associated with fraud convictions, although the deputy could not confirm that. The father has a landline so the caller's number can't be easily blocked; the deputy advised the caller to speak with the phone service provider about ways to do that.

MESSAGE FROM THE SHERIFF

I hope you find this month's edition of the Washington County Sheriff's newsletter engaging, informative and relevant to your community's leadership and citizens. Our team takes pride in sharing our department's interactions with your town and in giving you a snapshot of how we're serving you. But as the year comes to a close and we look ahead to 2024, we can't help but wonder: What could we do better? What different kinds of information would you be interested in, if we could provide it? How are you using the newsletters? What do you like best about them?

With that in mind, I'm asking for your help as our team begins to plan for the coming year. I would greatly appreciate if you and whoever you share this newsletter with would take the time to participate in a brief survey.

Just click the link [HERE](#). And thank you!

In service,

Sheriff Dan Starry
