GONE FISHIN'

The annual Landfall Cops and Kids fishing event was held in June, with a great turnout of 30 kids from the Landfall area who came to hang out with Washington County Sheriff's Office deputies. Everyone had a blast and caught quite a few smiles. With summer in full swing, lots of folks will be out fishing, whether from a boat or dipping a line from shore or a dock. Here are several important reminders:

- Minnesota residents ages 16-89 must have a current fishing license with them while fishing. Get more information [HERE](#).
- When fishing from shore or from a dock, be sure you're not trespassing on private property and be aware of fast-moving water.
- When fishing from any watercraft, wear a life jacket! It's like wearing a seat belt while driving: When worn properly, it may save your life. Minnesota law requires one U.S. Coast Guard-approved, properly sized and easily accessible life jacket for each person on board.
- Make sure someone knows your location and plan, and don't fish alone!
- Keep hooks and lures in tackle boxes and cover fishing knife blades, and use caution when baiting and removing hooks.
- Wear sunscreen, insect repellent and appropriate gear, and bring water.

At 9:03am on June 11, a deputy spoke with a caller reporting theft of tools overnight from a residence under construction. The theft had occurred sometime after 5pm on June 10, when the construction workers had clocked off. The caller wasn't sure of all that was taken, and the deputy asked for a call back with a list, including serial numbers. The caller thought that one of the contractors may have failed to lock the door to the site before leaving. No video was available and there were no suspects at the time of the report.

MESSAGE FROM THE SHERIFF

At the Washington County Sheriff's Office, we look forward to summer, when we're out in our communities at fun events like Hugo Good Neighbor Days, Afton's Fourth of July parade and Scandia's Taco Daze. We also host our own events like Backpack Giveaway and Shop with a Cop Back to School — just to name a few! And of course, we'll be at the Washington County Fair (July 31-Aug. 4) and National Night to Unite (Aug. 6). It's a busy time but always a lot of fun. We hope to see you this summer!

A bit of other news: In June, our incredible K9 team took part in the U.S. Police K9 Association Region 18 Patrol Dog Certification, hosted by the St. Croix County Sheriff's Office. Deputy Brandon Yetter and his K9 partner Huck took 1st place overall, and Deputy Nate Thienes and K9 Goose took 2nd as well as the top apprehension score. The WCSO team, which also includes Deputies Chris Majeski/K9 Jake, Josh Liebenow/Viking, Dave Peters/Red and Brian Krook/Bandit, took 2nd place overall. Congratulations to these hard workers, and we'll wish them well as they travel to Louisiana in October to defend their national top team title, along with Deputy Yetter's individual national championship.

In service,

Sheriff Dan Starry
