NEW AI SOFTWARE FOR ECRC TRAINING

The Washington County Sheriff's Office is purchasing a new state-of-the-art program called CommsCoach to help train and support its public safety telecommunicators in the Emergency Communications Response Center (ECRC). CommsCoach is an AI-enhanced software application that provides real-time performance feedback, skill-building prompts, and scenario-based coaching.

By integrating CommsCoach, the ECRC aims to elevate training quality, promote employee development, reduce performance-related errors, and increase caller satisfaction and responder safety. This tool will also support supervisor efficiency by streamlining coaching documentation and follow-up.

CommsCoach integrates seamlessly with call-taking and computer-aided dispatch (CAD) systems to deliver:

- Real-time micro coaching during live emergency calls.
- Skill tracking and trend analysis that identify performance strengths and improvement areas across individuals and teams.
- Scenario replay and training reinforcement.
- Alignment with national standards.

WCISO looks forward to using this innovative technology to continue delivering the highest-quality service to all of our communities.

SUSPICIOUS ACTIVITY

16XXX ST. CROIX TRAIL N

At 9:23pm on June 20, a deputy spoke with a caller who reported suspicious activity after finding several items around the home out of place. A deck gate was slightly ajar, a broom was lying on the deck, a bin under the deck had been toppled over and a large roll of weed block fabric had been moved. The resident reported there had been no activity on the doorbell camera. The deputy and caller agreed it could have been a bear and/or cubs playing around on the property. Regardless, the deputy gave the caller some crime prevention tips and advised there would be extra patrols.

MESSAGE FROM THE SHERIFF

Recently, I announced I will not seek a third term as Washington County Sheriff in November 2026. I am grateful for the opportunity that the citizens of Washington County have afforded me, and I look forward to completing my term ending in January 2027.

It has been a true privilege and honor to be able to work with the finest in law enforcement since 1993, when my journey began as a deputy for the Washington County Sheriff's Office. Serving as Sheriff since 2017, following in the footsteps of remarkable leaders, has been an extraordinary honor.

Serving you has been a privilege — thank you! The unwavering support from residents, business leaders, and elected officials in Washington County has been a cornerstone for our law enforcement community. This support has fueled our determination and dedication to ensure the safety of everyone who lives, works, or visits here. Washington County continues to be safe and thriving due to the exceptional quality of our law enforcement and first responders. I take great pride in the achievements we've accomplished together at the office.

Looking ahead, I plan on spending more time with my wife, children and grandchildren, as we travel and explore the country.

It is an honor to serve as your Sheriff.

In service,

Dan Starry
